

## **SUBMISSIONS POLICY**

The Works International is looking for well packaged projects which have commercial value in the International market.

Due to the number of submissions we receive, we have strict criteria which will allow us to assess projects efficiently. As we are a director-focused company, we are looking for projects which have directors attached and elements of finance in place. We will only prioritise submissions from producers who have feature film credits.

In order to submit your project, we request that you complete this form to include the following information:

- SHORT SYNOPSIS
- BUDGET TOP SHEET
- CONFIRMATION OF FINANCE PLAN AND FINANCE IN PLACE
- DIRECTOR DETAILS, CREDITS AND VISION
- PRODUCER CREDITS
- CAST LIST (CONFIRMED OR WISH LIST)
- COMPLETED SUBMISSION FORM

If your project meets our criteria, we will get in touch to request the script and further material.

Please email the completed form to [acquisitions@theworksfilmgroup.com](mailto:acquisitions@theworksfilmgroup.com).
